

Reasonable Accommodation Request

A participant of Opportunity Home San Antonio's housing assistance programs may request a change in their current unit or a transfer to a unit that has already been changed. An applicant, resident, or program participant may request assistance with, or change(s) in, an Opportunity Home practice, rule, policy, program or service. The requested change must enable a person with a disability to have equal access to, and enjoyment of, their unit or other facilities on site.

A disability is defined, in part, as a physical or mental impairment that substantially limits one or more major life activities, a record of having such an impairment, or being regarded as having such an impairment.

Opportunity Home may require documentation to support the reasonable accommodation (RA) request(s).
