

Request For Rental Change

Effective June 1, 2022, only one rental increase will be processed every 12 months. All requests must still be found reasonable through Opportunity Home San Antonio's Rent Reasonable Comparability process.

Participating landlords in the Housing Choice Voucher (HCV) program may request a rental change **after the initial year lease term**. In order to be approved, this form must be completed in its entirety with both the landlord and participant's signature. This form must be submitted to Opportunity Home **at least 60 days before any such changes go into effect**. Please note that **all changes in responsibility to pay utilities or provide appliances will result in a new lease and Housing Assistance Payment Contract**.

Opportunity Home will determine if the requested rent is reasonable by comparing your rent to those of equivalent units in the private market. If Opportunity Home determines your proposed rent is not reasonable, the request must be denied. **If the rent comparability study results in an amount lower than your current rent, Opportunity Home must decrease the rent amount in accordance with HUD regulations.**

Complete this form, then scan and **email to requestrentalchange@homesa.org** or fax to (210) 477-6206.
