

THE APPLICATION PROCESS

Public Housing Waitlist

The Public Housing waitlist is accepting applications online at **homesa.org**. Once you submit an application, you will be placed on a list to live in one of three different housing types depending on your needs — family, elderly or 504 accessible.

Housing Choice Voucher (Section 8) Waitlist

The Housing Choice Voucher (HCV) Program waitlist is **not accepting applications** at this time. Reopenings are announced publicly through the organization's communication channels.

What to Expect

You will receive a confirmation email once you have submitted an application.

Applicants must create a housing portal account within 24 hours at **homesa.org** to receive updates on the status of your application.

Be sure to update your personal information (*address, phone number, family composition changes*) to ensure we are able to contact you when your name is selected from the waitlist.
